

Pollinator Plants by Season:

Spring

Calendula	<i>Calendula officinalis</i>	Iris	<i>Iris sp</i>
California poppy	<i>Eschscholzia</i>	Lavender	<i>Lavandula sp</i>
Catmint	<i>Mentha</i>	Lupine	<i>Lupinus*</i>
Chives	<i>Allium</i>	Oregon Grape	<i>Mahonia aquifolium*</i>
Columbine	<i>Aquilegia</i>	Pasque flower	<i>Pulsatilla vulgaris</i>
Crocus	<i>Crocus sp</i>	Red flowering current	<i>Ribes sanguineum*</i>
Currant	<i>Ribes Aureum*</i>	Rosemary	<i>Rosmarinus officinalis</i>
Elderberry	<i>Sambucus*</i>	Serviceberry	<i>Amelanchier alnifolia*</i>
Fritillaria	<i>Fritillaria sp</i>	Snowdrop	<i>Galanthus sp</i>
Grape hyacinth	<i>Muscari sp</i>	Speedwell	<i>Veronica sp</i>
Heath	<i>Erica sp</i>	Sweet box	<i>Sarcococca sp</i>
Hellebore	<i>Helleborus sp</i>	Thyme	<i>Thymus sp</i>
Honey/suckle	<i>Anisacanthus</i>	Wild lilac	<i>Ceanothus 'Concha'</i>

Summer

Anise hyssop	<i>Agostache foeniculum</i>	Nuttall's sunflower	<i>Helianthus nuttallii*</i>
Bee balm	<i>Madraga</i>	Oceanspray	<i>Haloisicus*</i>
Borage	<i>Borago officinalis</i>	Oregon sunshine	<i>Eriophyllum lanatum</i>
Comfrey	<i>Symphytum</i>	Penstemon	<i>Penstemon sp</i>
Coneflower	<i>Echinacea</i>	Russian sage	<i>Perovskia atriplicifolia</i>
Fireweed	<i>Chamerion angustifolium*</i>	Salvia	<i>Salvia sp</i>
Gilia	<i>Gilia capitata</i>	Spiraea	<i>Spiraea densiflora*</i>
Jupiters beard	<i>Gentianthus ruber</i>	Sunflower	<i>Helianthus sp</i>
Milkweed	<i>Asclepias fascicularis*</i>	Yarrow	<i>Achillea millefolium*</i>

Fall

Alyssum	<i>Alyssum sp</i>	Goldenrod	<i>Solidago virgaurea</i>
Aster	<i>Aster sp</i>	Hyssop	<i>Agrostache foeniculum</i>
Blanket flower	<i>Gaillardia grandiflora*</i>	Mint	<i>Menthus sp</i>
Chamomile	<i>Anthemis tinctoria</i>	Pincushion	<i>Scabiosa sp</i>
Dill	<i>Anethum graveolens</i>	Stonecrop	<i>Sedum sp</i>
Fennel	<i>Foeniculum vulgare</i>		

*Native

Checklist for Pollinators:

For Bees

- | | | |
|--|---|---|
| <input type="checkbox"/> Spring flowers | <input type="checkbox"/> Blue/Purple flowers | <input type="checkbox"/> Rock piles |
| <input type="checkbox"/> Tubular flowers | <input type="checkbox"/> Native trees/shrubs | <input type="checkbox"/> Areas of sand |
| <input type="checkbox"/> Summer flowers | <input type="checkbox"/> White/Yellow flowers | <input type="checkbox"/> Areas of mud |
| <input type="checkbox"/> Disk flowers | <input type="checkbox"/> Swaths of same flowers | <input type="checkbox"/> Brush piles |
| <input type="checkbox"/> Fall flowers | <input type="checkbox"/> Open areas of dirt | <input type="checkbox"/> Tufts of grass |
| <input type="checkbox"/> Native bulbs | <input type="checkbox"/> Perennial winter stems | <input type="checkbox"/> Shallow water |
| <input type="checkbox"/> Native perennials | <input type="checkbox"/> Man-made nest holes | |

For Butterflies

- | | | |
|---|--|--|
| <input type="checkbox"/> Bright flowers | <input type="checkbox"/> Mud with salts | <input type="checkbox"/> Disk flowers |
| <input type="checkbox"/> Larval host plants | <input type="checkbox"/> Flat, sunny rocks | <input type="checkbox"/> Shallow water |

For Hummingbirds

- | | |
|---|--|
| <input type="checkbox"/> Red/Orange flowers | <input type="checkbox"/> Water baths |
| <input type="checkbox"/> Tubular flowers | <input type="checkbox"/> Winter feeder |

General

- | | |
|--|--|
| <input type="checkbox"/> Reduce/Eliminate pesticides | <input type="checkbox"/> Leave hedgerows |
| <input type="checkbox"/> Buy organically grown | <input type="checkbox"/> Buy locally grown |

Bee Nesting Sites:

Attached to tree trunks/branches

- | | |
|------------|-------|
| Honey Bees | Wasps |
|------------|-------|

Holes in Wood

- | | | |
|----------------|-------------|-----------------|
| Carpenter Bees | Mason Bees | Leafcutter Bees |
| Resin Bees | Digger Bees | |

Hollow Stems

- | | | |
|----------------|-------------------|-----------------|
| Carpenter Bees | Mason Bees | Leafcutter Bees |
| Resin Bees | Yellow-faced Bees | |

Holes in the Ground

- | | | |
|-------------|-----------------|-------------|
| Bumble Bees | Mining Bees | Digger Bees |
| Squash Bees | Leafcutter Bees | Sweat Bees |

Attached to house/barn structures

- | | | |
|-------------|-------------|---------|
| Paper wasps | Mud daubers | Hornets |
|-------------|-------------|---------|
